

The Great Lakes District

is a family of healthy interdependent churches that exists to passionately honor God and make disciples of Jesus Christ by:

- Ensuring the Evangelical Free Church movement's doctrine and practice
- Encouraging servant relationships among Pastors and church leaders
- Empowering local churches to fulfill their mission and vision
- Establishing strategic partnerships and new churches

so that the Kingdom of God is intentionally expanded throughout our sphere of responsibility (Illinois, Indiana, Michigan, Ohio and the Kentucky border).

“Besides everything else, I face daily the pressure of my concern for all the churches.”

2 Corinthians 11:28

Our EFCA Vision

The vision of the Evangelical Free Church of America is to glorify God by multiplying healthy churches among all people.

From a root of 19th century Scandinavian immigrants, the EFCA has grown by God's grace into an association of 1,300 churches in 21 districts with many affiliates including Trinity International University. We seek the distinctive articulated by Chrysostom from the fifth century: “In the essentials unity; in the non-essentials charity; in all things Jesus Christ.”

The GLD Difference

What difference does the Great Lakes District really make? Our staff serves churches with:

care for all the churches (2 Corinthians 11:28)
calling new pastors in their search
credentialing leaders starting their ministries
conferences to equip God's people
clusters & ministerials for our pastors
coaching & mentoring of leaders by leaders
cross cultural ministries (Acts 1:8)
church planting among all people.

Come help us make a difference by caring for all the churches!

Our GLD Vision

The Great Lakes District of the EFCA will be a family of healthy interdependent churches, advancing and celebrating a Great Commandment love (Matthew 22:37-38) and a Great Commission purpose (Matthew 28:19-20) among all peoples by the power of the Holy Spirit (Acts 1:8). We follow the example of interdependence that we see in the New Testament. Just as the church of Jerusalem sent Barnabas to Antioch to encourage faithfulness to Jesus Christ, the churches of the GLD have set apart seasoned superintendents and staff to serve your church's mission.
